**STATEMENT BY THE BOARD OF DIRECTORS**  
*For the financial year ended 31 December 2025*

---

The Board of Directors of New Hope Community Services (the Society) are pleased to present the accompanying financial statements of the Society and its subsidiary (collectively, the Group) for the financial year ended 31 December 2025.

In the opinion of the Board of Directors,

- (a) the accompanying consolidated financial statements of the Group and the statement of financial position, statement of profit or loss and other comprehensive income and statement of changes in funds of the Society are drawn up so as to give a true and fair view of the financial position of the Group and of the Society as at **31 December 2025** and the results, changes in funds and cash flows of the Group for the year ended on that date.
- (b) at the date of this statement, there are reasonable grounds to believe that the Society will be able to pay its debts as and when they fall due.

The Board of Directors, comprising the following, authorised the issue of these financial statements:

President	Lee Chin Chai
Vice President	Tan Cheng Jee Pauline
Secretary	Chan Daniel
Treasurer	Pang Loke Wee
Assistant Treasurer	Chan Kwok Siew
Committee Member	Lim Meng Soon Andrew
Committee Member	Lee Chia Chye
Committee Member	Khoo Swee Lan
Committee Member	Chua Sui Tong
Committee Member	Pauline Sng Lee Hwuang

For and on behalf of the Board of Directors,

  
\_\_\_\_\_  
Lee Chin Chai  
President

  
\_\_\_\_\_  
Pang Loke Wee  
Treasurer

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
NEW HOPE COMMUNITY SERVICES  
AND ITS SUBSIDIARY

For the financial year ended 31 December 2025

**Report on the Audit of the Financial Statements**

*Opinion*

We have audited the consolidated financial statements of **New Hope Community Services** (the Society) and its subsidiary (collectively, the Group), which comprise the statements of financial position, the statements of profit or loss and other comprehensive income and the statements of changes in funds of the Group and the Society as at **31 December 2025**, and the statement of cash flows of the Group for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements of the Group and the statement of financial position, the statement of profit or loss and other comprehensive income and the statement of changes in funds of the Society are properly drawn up in accordance with the provisions of the Societies Act 1966 (the Societies Act), the Charities Act 1994 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRSs) so as to present fairly, in all material respects, the state of affairs of the Group and the Society as at **31 December 2025** and the results, changes in funds and cash flows of the Group for the year ended on that date.

*Basis for Opinion*

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Other Information*

Management is responsible for the other information. The other information comprises the information included in the Statement by the Board of Directors set out on page 1, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
NEW HOPE COMMUNITY SERVICES  
AND ITS SUBSIDIARY**

For the financial year ended 31 December 2025

*Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulations and FRSSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
NEW HOPE COMMUNITY SERVICES  
AND ITS SUBSIDIARY**

For the financial year ended 31 December 2025

*Auditor's Responsibilities for the Audit of the Financial Statements (continued)*

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

In our opinion:

- (a) the accounting and other records required to be kept by the Society have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations; and
- (b) the fund-raising appeals held during the year have been carried out in accordance with Regulation 6 of the Societies Regulations issued under the Societies Act and proper accounts and other records have been kept of the fund-raising appeal.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
NEW HOPE COMMUNITY SERVICES  
AND ITS SUBSIDIARY

For the financial year ended 31 December 2025

**Report on Other Legal and Regulatory Requirements (continued)**

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- (a) the Society has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the Society has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

## **NEW HOPE COMMUNITY SERVICES**

*UEN: T04SS0026C*

### **AND ITS SUBSIDIARY**

## **NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

### **1. General**

New Hope Community Services (the Society) was registered under the Societies Act 1966 on 16 January 2004. The Society became a registered charity under the Charities Act 1994 on 13 October 2004. The address of its registered office and principal place of business is located at 148 Yishun Street 11, #01-123 Singapore 760148.

The Society has been accorded the Institution of Public Character ('IPC') status for the period from 1 November 2022 to 30 September 2026.

The objectives of Society are to initiate, assist and organise activities and schemes of social service for the alleviation of poverty, suffering, ignorance or ill-health whether physical or mental, without limitation of age, sex, race, nationality, religion or moral character, by the provision of assistance, education, training, coaching or counselling.

The principal activity of the subsidiary is disclosed in Note 11 of the financial statements.

### **2. Material accounting policy information**

#### **(a) Basis of preparation**

The financial statements of the Company have been drawn up in accordance with Financial Reporting Standards in Singapore (FRSs). The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

#### **(b) Adoption of new and amended standards and interpretations**

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Group has adopted all the new and amended standards which are relevant to the Group and are effective for annual financial period beginning on 1 January 2025. The adoption of these standards did not have any material effect on the financial statements of the Group.

**NEW HOPE COMMUNITY SERVICES**  
**UEN: T04SS0026C**  
**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(c) Standard issued but not yet effective

The Group has not adopted the following standards applicable to the Group that have been issued but not yet effective:

<b>Description</b>	<b>Effective for annual periods beginning on or after</b>
Amendments to FRS 109 <i>Financial Instruments</i> and FRS 107 <i>Financial Instruments: Disclosures: Amendments to the Classification and Measurement of Financial Instruments</i>	1 January 2026
Annual Improvement to FRSs Volume 11	1 January 2026
FRS 118 <i>Presentation and Disclosure in Financial Statements</i>	1 January 2027
FRS 119 <i>Subsidiaries without Public Accountability: Disclosure</i>	1 January 2027
Amendments to FRS 110 <i>Consolidated Financial Statements</i> and FRS 28 <i>Investments in Associates and Joint Ventures: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	Date to be determined

*FRS 118 Presentation and Disclosures in Financial Statements*

FRS 118 *Presentation and Disclosure in Financial Statements* introduces new requirements for presentation within the statement of profit or loss, including specified totals and subtotals. Furthermore, entities are required to classify all income and expenses within the statement of profit or loss into one of five categories: operating, investing, financing, income taxes and discontinued operations, whereof the first three are new.

It also requires disclosure of newly defined management-defined performance measures, subtotals of income and expenses, and includes new requirements for aggregation and disaggregation of financial information based on the identified 'roles' of the primary financial statements and the notes.

In addition, narrow-scope amendments have been made to FRS 7 *Statement of Cash Flows*, which include changing the starting point for determining cash flows from operations under the indirect method, from 'profit or loss' to 'operating profit or loss' and removing the optionality around classification of cash flows from dividends and interest. In addition, there are consequential amendments to several other standards. FRS 118, and the amendments to the other standards, is effective for reporting periods beginning on or after 1 January 2027, but earlier application is permitted and must be disclosed. FRS 118 will apply retrospectively.

**NEW HOPE COMMUNITY SERVICES**  
*UEN: T04SS0026C*  
**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(c) Standard issued but not yet effective (continued)

*FRS 118 Presentation and Disclosures in Financial Statements (continued)*

The Board of Directors is still in the process of assessing the impact of the new standard particularly with respect to the structure of the Group's statements of profit or loss, the consolidated statement of cash flows and the additional disclosures required for management-defined performance measures. The Group is also assessing the impact on how information is grouped in the financial statements.

Except FRS 118, the Board of Directors expect that the adoption of the other new and amended standards will have no material impact on the financial statements in the year of initial application.

(d) Income recognition

Income is recognised to the extent that it is probable that the economic benefits will flow.

*Rendering of services*

Revenue from rendering of services is recognised when the services have been performed and rendered.

*Grants*

Grants are recognised at their fair value where there is reasonable assurance that the grants will be received and all related conditions will be complied with.

*Sale of goods*

Revenue from the sale of goods is recognised when the Group has delivered the product to the customer and the collectability of the related receivables is reasonably assured.

*Donations*

Donations are recognised in the statement of profit or loss upon receipt. Donations-in-kinds are recognised when the fair value of the assets received can be reasonably and reliably ascertained.

*Interest income*

Interest income on operating funds is recognised on an accrual basis.

*Other income*

Other income is recognised when received.

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(e) Taxes

(i) Current income tax and deferred tax

The Society is a charity registered under the Charities Act since 13 October 2005. Consequently, the income of the Society is exempted from tax under the provisions of Section 13(1)(zm) of the Income Tax Act 1947.

The subsidiary's current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authority. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in funds. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Deferred tax is provided using the liability method on temporary differences at the end of the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. There is no deferred tax at the reporting date.

(ii) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except:

- where the GST incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables that are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

(f) Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost of property, plant and equipment includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the property, plant and equipment.

**NEW HOPE COMMUNITY SERVICES**

*UEN: T04SS0026C*

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(f) Property, plant and equipment (continued)

Depreciation is calculated on the straight-line basis over the estimated useful lives of the assets as follows:

	<u>Useful lives</u>
Computer and office equipment	2 - 3 years
Furniture and fittings	5 years
Motor vehicle	3 years
Renovation	3 to 5 years
Building and Outdoor Works	9 years
Kitchen equipment	9 years
Leasehold properties	Over the lease period

The residual value, useful lives and depreciation method are reviewed at the end of each reporting period, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

(g) Investment in subsidiary

A subsidiary is an investee that is controlled by the Society. The Society controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Society's statement of financial position, investment in subsidiary is accounted for at cost less impairment losses.

(h) Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, (or, where applicable, when an annual impairment testing for an asset is required), the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

**NEW HOPE COMMUNITY SERVICES**

UEN: T04SS0026C

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(h) Impairment of non-financial assets (continued)

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

(i) Financial instruments

(i) Financial assets

*Initial recognition and measurement*

Financial assets are recognised when, and only when the entity becomes party to the contractual provisions of the instruments.

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

*Subsequent measurement*

Debts instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the contractual cash flow characteristics of the asset. The three measurement categories for classification of debt instruments are amortised cost, fair value through other comprehensive income (FVOCI) and FVPL. The Group only has debt instruments at amortised cost.

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(i) Financial instruments (continued)

(i) Financial assets (continued)

*Derecognition*

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income for debt instruments is recognised in profit or loss.

(ii) Financial liabilities

*Initial recognition and measurement*

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at FVPL, directly attributable transaction costs.

*Subsequent measurement*

After initial recognition, financial liabilities that are not carried at FVPL are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

*Derecognition*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

(iii) Offsetting of financial instruments

A financial asset and a financial liability shall be offset and the net amount presented in the statement of financial position when, and only when, an entity:

- (a) currently has a legally enforceable right to set off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(j) Impairment of financial assets

The Group recognises an allowance for expected credit losses (ECLs) for all financial assets not held at FVPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Society expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment which could affect debtors' ability to pay.

The Group considers a financial asset in default when contractual payments are past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

(k) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank, on hand and deposits with financial institutions which are subject to an insignificant risk of changes in value.

(l) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is calculated using the first-in first-out method and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

When necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

**NEW HOPE COMMUNITY SERVICES**

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(m) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(n) Government grants

Government grants are recognised as a receivable when there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, the fair value is recognised as deferred income on the statement of financial position and is recognised as income in equal amounts over the expected useful life of the related asset.

When loans or similar assistance are provided by governments or related institutions with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as additional government grant

(o) Funds

Unrestricted funds represent funds received by the Group that are expendable for any activity of the Group at the discretion of the Board of Directors in furtherance of the Group's charitable objectives.

Restricted funds represent funds that have been received by the Group for which the usage is restricted - specifically for an activity in one or more of its services or for specified activities within these services. These restrictions may be designated by government agencies, other donor organisations or individuals.

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(p) Employee benefits

(i) Defined contribution plans

The Group makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

(ii) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Society has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

(q) Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

*Right-of-use assets*

The Group recognises right-of-use assets at the commencement date of the leases (i.e. the date of underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

**NEW HOPE COMMUNITY SERVICES**  
*UEN: T04SS0026C*  
**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(q) Leases (continued)

As lessee (continued)

*Right-of-use assets* (continued)

If ownership of the leased asset transfer to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2(h).

The Group's right-of-use assets are presented within property, plant and equipment (Note 10).

*Lease liabilities*

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

*Short-term leases and leases of low-value assets*

The Group applies the short-term lease recognition exemption to its short-term leases of accommodation (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term. It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

(r) Related parties

A related party is defined as follows:

- (A) A person or a close member of that person's family is related to a reporting entity if that person:
- (i) has control or joint control of the reporting entity;
  - (ii) has significant influence over the reporting entity; or
  - (iii) is a governing board member, trustee or member of the key management personnel of the reporting entity or of a parent of the Group;
- (B) An entity is related to the reporting entity if any of the following conditions applies:
- (i) the entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
  - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the entity is a member) and vice versa;
  - (iii) both entities are joint ventures of the same third party;
  - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity and vice versa;
  - (v) the entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity;
  - (vi) the entity is controlled or jointly controlled by a person identified in (A);
  - (vii) a person identified in (A)(i) has significant influence over the entity or is a governing board member, trustee or member of the key management personnel of the entity (or of a parent of the entity);
  - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

**NEW HOPE COMMUNITY SERVICES**

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(r) Related parties (continued)

**Key management personnel**

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the Group, directly or indirectly, including any director (whether executive or otherwise) of the Group.

(s) Contingencies

A contingent liability is:

- (i) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Society; or
- (ii) a present obligation that arises from past events but is not recognised because:
  - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Society.

Contingent liabilities and assets are not recognised on the statement of financial position of the Society, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

(t) Foreign currency

The financial statements are presented in Singapore Dollars (S\$), which is also the Society's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

(i) Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Society and its subsidiary and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

---

**2. Material accounting policy information (continued)**

(t) Foreign currency (continued)

(i) Transactions and balances (continued)

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

(ii) Consolidated financial statements

For consolidation purpose, the assets and liabilities of foreign operations are translated into Singapore Dollars at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

**3. Significant accounting judgements and estimates**

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

**3.1 Judgements made in applying accounting policies**

Determination of lease term of contracts with extension options.

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has several lease contracts that include extension options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to extend the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise the extension. After the commencement date, the Group reassesses the lease term whether there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend (e.g. construction of significant leasehold improvements or significant customisation to the leased asset).

The extension options for leases of premises are not included as part of the lease term because the Group is not reasonably certain whether or not to exercise the options to extend the leases.

As at 31 December 2025, potential future (undiscounted) cash outflows of approximately S\$338,358 have not been included in lease liabilities because it is not reasonably certain that the leases will be extended.

**NEW HOPE COMMUNITY SERVICES**  
*UEN: T04SS0026C*  
**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**3. Significant accounting judgements and estimates (continued)**

**3.2 Key sources of estimation uncertainty**

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

- (a) Provision for expected credit losses of trade receivables, other receivables and contract assets

*Trade receivables and contract assets*

The Group uses a provision matrix to calculate ECLs for trade receivables and contract assets. The provision rates are based on days past due for groupings of various customer segments that have similar loss patterns.

The provision matrix is initially based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At every reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast changes in circumstances and of forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The information about the

ECLs on the Group's and the Society's trade receivables and contract assets is disclosed in Note 35(a) to the financial statements.

The carrying amount of trade receivables and contract assets as at 31 December 2025 is disclosed in Note 8 to the financial statements.

*Other receivables*

The Group uses a probability of default method to calculate ECLs for other receivables. The probability of default is based on probability of default events that are possible within the next 12-months (a 12-month ECL) for other receivables which there has not been a significant increase in credit risk since initial recognition or probability of default events that are possible over the remaining life of the exposure (a lifetime ECL) for other receivables which there has been a significant increase in credit risk since initial recognition.

The probability of default is initially based on the Group historical observed default rates. The Group will calibrate the probability to adjust historical credit loss experience with forward-looking information. At every reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

**NEW HOPE COMMUNITY SERVICES**  
**UEN: T04SS0026C**  
**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**3. Significant accounting judgements and estimates (continued)**

**3.2 Key sources of estimation uncertainty (continued)**

- (a) Provision for expected credit losses of trade receivables, other receivables and contract assets (continued)

*Other receivables (continued)*

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of debtor's actual default in the future. The information about the ECLs on the Group's and the Society's other receivables is disclosed in Note 35(a) to the financial statements.

The carrying amount of other receivables as at 31 December 2025 is disclosed in Note 8 to the financial statements.

- (b) Estimating the incremental borrowing rate of leases

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate to measure lease liabilities. The incremental borrowing rate is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The incremental borrowing rate therefore reflects what the Group 'would have to pay', which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease. The Group estimates the incremental borrowing rate using observable inputs (such as market interest rates) when available and is required to make certain entity-specific estimates.

**12. Payables**

	Group		Society	
	2025 S\$	2024 S\$	2025 S\$	2024 S\$
Trade payables	<u>63,110</u>	<u>107,038</u>	<u>63,686</u>	<u>107,038</u>
Other payables:				
Accruals and other payables	554,922	984,713	492,364	917,797
Deferred income	262,568	262,325	-	-
GST payables	51,706	41,032	34,642	41,032
Refundable deposits received	277,325	332,448	277,325	337,233
TS Comcare Fund	9,180	14,235	9,180	14,235
	<u>1,155,701</u>	<u>1,634,753</u>	<u>813,511</u>	<u>1,310,297</u>
Total payables	<u>1,218,811</u>	<u>1,741,791</u>	<u>877,197</u>	<u>1,417,335</u>

Deferred income comprises of grants and jumping package fees received in advance:

- a. Grants that are received in advance for expenditure that must take place in a future financial period are accounted as deferred income and recognised as a liability until the financial period in which the donation and grants are expended.
- b. Jumping packages fees received in advance comprise of jumping packages that have yet to be utilised by the customers. It will be recognised as income as and when the subscriber attends the jumping training session.

Contract liabilities

The Group applies the practical expedient in paragraph 121 of FRS 115 and does not disclose information about its remaining performance obligation if:

- the performance obligation is part of a contract that has an original expected duration of one year or less; or
- the Group has a right to invoice a customer in an amount that corresponds directly with its performance to date, then it recognises revenue in the amount.

**13. General Fund**

The General Fund is for meeting operating expenses incurred by the Society.

During the financial year, the Board of Directors approved a transfer of S\$133,246 from the General Fund to Volunteer Centre Bukit Merah Fund. In the previous financial year, the Board approved a transfer of S\$4,772 from the General Fund to the Her Sanctuary Fund.

**14. Social Investigation Fund**

The Social Investigation Fund represents net fund arising from the provision of social investigation service, an investigation into the social background of the MSF's referred clients under the Destitute Persons Act.

**15. JSSOR Fund**

The Society was appointed to run the Joint Singles Scheme Operator-Run Pilot project to further support lower-income singles in need of rental housing. The project allows singles to apply for rental housing without first having to find a flatmate. Instead, individual applicants will be assigned flatmates by the operator, taking into consideration factors such as sex, age, ethnicity and living habits. The fund is set up as a designated fund for the project.

**16. SRSF Fund**

The Society was appointed to run the Singles Room Shared Facilities Pilot project to further support lower-income singles in need of rental housing. The project allows singles to apply for rental housing without first having to find a flatmate. Individual applicants will be assigned a room by the operator, taking into consideration factors such as sex, age, ethnicity and living habits. The fund is set up as a designated fund during the year to earmark for the project.

During the year, the programme incurred deficit of S\$142,404 (2024: 247,490) due to setup cost in accordance to HDB's SRFS requirements. The deficit fund will be funded by the receipt of the management fees in the subsequent months and where necessary, funded through reserves maintained as unrestricted funds.

**17. HOPE Scheme Programme Fund**

The Home Ownership Plus Education (HOPE) Scheme offers comprehensive assistance to young low-income families and their children to help them break out of the poverty cycle. The HOPE Outreach Programme aims to pilot a range of targeted outreach strategies to promote HOPE to eligible families.

---

#### **20. Life Skills Training and Retreat Centre Fund**

The purpose of the Fund is to finance the cost of operating the premise located at 10 La Salle Street which is also known as the Kampung Siglap Life Skills Training and Retreat Centre. Services and programme for engagement with the client, life skills training and activities are proposed to be conducted at the premise.

During the year, the programme incurred deficit of S\$145,076 (2024: S\$256,264). The accumulated deficit fund of S\$1,090,264 (2024: S\$945,188) was due to shortfall in the generation of income for the programme and incurrence of operating cost to run social service programmes for the Group and the social service sector. The accumulated funds in deficit will be funded where required through reserves maintained as unrestricted funds.

#### **21. Employment Services Fund**

The Fund represents donations and programme funding from Singapore Business Federation Foundation (SBFF) Job Support and Retention Programme based on a 7-stage job support framework which includes career coaching, counselling and case management to prepare them to enter the workforce and enable them to stay on the job.

The accumulated deficit fund as at year-end date of S\$269,119 (2024: S\$152,507) was due to co-funding model arrangement with the funder. The accumulated funds in deficit will be funded where required through reserves maintained as unrestricted funds.

#### **22. KS Capital Fund**

Capital funds comprise grants and donations received to fund property, plant and equipment purchased, and transfer made from the designated Building Fund. Transfers are made to the Capital fund when amounts are utilised for purchase of property, plant and equipment using funds which are specifically donated or received for the purchase of property, plant and equipment. The depreciation of the assets purchased with the related grants and donations are taken to the Capital funds over the useful lives of the related assets. Capital funds form part of the Group's restricted funds.

The Fund represents designated funding and donations received for the purpose of the renovation work at Kampung Siglap Life Skill Training and Retreat Centre. During the year the programme incurred deficit of S\$826,978 (2024: S\$858,462). Total accumulated expenditure incurred for KS Capital Fund as at end of year amounted S\$4,162,543 (2024: S\$3,335,565).

#### **23. Transit Point Margaret Drive Fund**

Transit Point Margaret Drive (TP@MD) is shelter programme which provides immediate safe accommodation for rough sleepers and enable rough sleepers to achieve long-term stable housing and equip them for independent living.

During the year, the programme incurred deficit of S\$47,623 (2024: S\$6,717). The accumulated deficit fund as at year-end date of S\$187,078 (2024: S\$139,455) was due to shortfall in the funding. The accumulated funds in deficit will be funded where required through reserves maintained as unrestricted funds.

**24. Transitional Shelter for Individuals Fund**

The mission of the Transitional Shelter is to enable homeless individuals to achieve stable long-term housing and enhance their level of self-sufficiency. TS will provide temporary accommodation to homeless individuals who have exhausted all other means of accommodation, and onsite social work intervention to address the complex needs of the admitted individuals to achieve long-term and stable housing. The programme is also known as Transit Point @ Yio Chu Kang (YCK).

**25. Volunteer Centre Kreta Ayer Fund**

The purpose of SG Cares Volunteer Centre is to build volunteer capacity, develop volunteer management capabilities, and foster community partnerships to strengthen the towns' effectiveness in meeting community needs. The Volunteer Centre is responsible to grow and coordinate volunteer supply, build volunteer management capabilities, and broker partnerships between demand and supply at the town level.

**26. Hope Arise Fund**

The Hope Arise Fund is a collaboration between New Creation Community Services and New Hope Community Services to establish and operate a shelter primarily for male alcoholics and other men in crisis. The Hope Arise aims to provide a safe, supportive and effective environment for men seeking recovery from alcoholism.

**27. Volunteer Centre Bukit Merah Fund**

During the financial year, management decided not to renew the operations of the SG Cares Volunteer Centre at Bukit Merah due to the requirement for additional manpower resources. The Board approved a transfer of S\$131,246 from the General Fund to the Volunteer Centre to cover the deficit and facilitate the closure of the centre.

The SG Cares Volunteer Centre's role is to build volunteer capacity, develop volunteer management capabilities, and foster community partnerships by coordinating volunteer supply and demand at the town level.

**AND ITS SUBSIDIARY****NOTES TO THE FINANCIAL STATEMENTS***For the financial year ended 31 December 2025***28. Other NCSS Restricted Fund**

Other NCSS Restricted Fund is consist of five grants administrated by NCSS for capability and capacity building initiatives. The grants restricted for it specific purposes are Organisation Development Grant, Pioneer Group Project, Transformation Support Scheme, VCF Professional Capability Grant (Open Grant) and Board Capability Development.

	<b>Group and Society</b>	
	<b>2025</b>	<b>2024</b>
	<b>S\$</b>	<b>S\$</b>
<u>Organisation Development Grant (ODG)</u>		
At 1 January	-	17,073
Expenses charged to the grant	-	(17,073)
At 31 December	<u>-</u>	<u>-</u>
<u>Pioneer Group Project</u>		
At 1 January	<b>(38,367)</b>	(75,100)
Grant received during the year	-	248,000
Expenses charged to the grant	<b>(62,930)</b>	(211,267)
At 31 December	<b><u>(101,297)</u></b>	<b><u>(38,367)</u></b>

The deficits arise from Pioneer Group Project is due to shortfall in the funding. The projects are funded on co-funding mechanic to improve the capability and capacity of the Society. The funds in deficit for the specific projects will be funded where required through reserves maintained as unrestricted funds.

**29. Jump & Jam Centre Fund**

The Jump & Jam Centre Fund provide a vibrant and welcoming space for sports, arts, culture, and intergenerational community engagement.

**30. Olive Tree Fund**

The Olive Tree Fund supports the programmes at Kampung Siglap Lifeskills & Retreat Centre, run by New Hope Community Services.

**31. Deferred Capital Grant**

Deferred capital grants relate to restricted funds received from a sponsor for the construction of premises at 55/57 Choa Chu Kang. The project is fully funded by the sponsor on a reimbursement basis. As the related assets were still under construction and not ready for use as at the reporting date, no depreciation or amortisation has been recognised.

The deferred capital grants will be recognised in the statement of financial activities over the useful lives of the related property, plant and equipment upon the assets being ready for use.

**32. Lease liabilities**

Group and Society as lessee

The Group and the Society has lease contracts for office building, shelters and training centres. The Group's and the Society's obligations under these leases are secured by the lessor's title to the leased assets. The Society is restricted from assigning and subleasing the leased assets. There are several leases contracts that include extension options which are further discussed below.

The Society also has certain leases with lease terms of 12 months or less. The Society applies the 'short-term lease' recognition exemptions for these leases.

---

**36. Financial risk management**

The Group's activities expose it to a variety of financial risks from its operations. The key financial risks include credit risk and liquidity risk.

The Board of Directors reviews and agrees policies and procedures for the management of these risks, which are executed by the management team. It is, and has been throughout the current and previous financial year, the Group's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Group's exposure to the abovementioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks.

**(a) Credit risk**

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the Group. The Group's exposure to credit risk arises primarily from receivables. For other financial assets (including cash and cash equivalents), the Group minimises credit risk by dealing exclusively with high credit rating counterparties.

The Group has adopted a policy of only dealing with creditworthy counterparties. The Group performs ongoing credit evaluation of its counterparties' financial condition and generally do not require a collateral.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The Group has determined the default event on a financial asset to be when internal and/or external information indicates that the financial asset is unlikely to be received, which could include default of contractual payments due for more than 60 days, default of interest due for more than 60 days or there is significant difficulty of the counterparty.

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

---

**36. Financial risk management (continued)**

**(a) Credit risk (continued)**

To minimise credit risk, the Group has developed and maintained the Group's credit risk gradings to categorise exposures according to their degree of risk of default. The credit rating information is supplied by publicly available financial information and the Group's own trading records to rate its major customers and other debtors. The Group considers available reasonable and supportive forward-looking information which includes the following indicators:

- Internal credit rating
- External credit rating
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the debtor's ability to meet its obligations
- Actual or expected significant changes in the operating results of the debtor
- Significant increases in credit risk on other financial instruments of the same debtor
- Significant changes in the expected performance and behaviour of the debtor, including changes in the payment status of debtors in the group and changes in the operating results of the debtor.

Regardless of the analysis above, a significant increase in credit risk is presumed if a debtor is more than 30 days past due in making contractual payment.

The Group determined that its financial assets are credit-impaired when:

- There is significant difficulty of the debtor
- A breach of contract, such as a default or past due event
- It is becoming probable that the debtor will enter bankruptcy or other financial reorganisation
- There is a disappearance of an active market for that financial asset because of financial difficulty

The Group categorises a receivable for potential write-off when a debtor fails to make contractual payments more than 90 days past due. Financial assets are written off when there is evidence indicating that the debtor is in severe financial difficulty and the debtor has no realistic prospect of recovery.

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**

*For the financial year ended 31 December 2025*

**36. Financial risk management (continued)**

(a) Credit risk (continued)

The Group's current credit risk grading framework comprises the following categories:

Category	Definition of category	Basis for recognising expected credit loss (ECL)
I	Counterparty has a low risk of default and does not have any past-due amounts.	12-month ECL
II	Amount is > 30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime ECL – not credit-impaired
III	Amount is > 60 days past due or there is evidence indicating the asset is credit-impaired (in default).	Lifetime ECL – credit-impaired
IV	There is evidence indicating that the debtor is in severe financial difficulty and the debtor has no realistic prospect of recovery.	Amount is written off

The table below details the credit quality of the Group's and the Society's financial assets, as well as maximum exposure to credit risk by credit risk rating categories:

	Note	Category	12-month or lifetime ECL	Gross carrying amount S\$	Loss allowance S\$	Net carrying amount S\$
<b>Group</b>						
<b>31 December 2025</b>

(a) Credit risk (continued)

Trade receivables and contract assets (Note 1)

For trade receivables and contract assets, the Group has applied the simplified approach in FRS 109 to measure the loss allowance at lifetime ECL. The Group determines the ECL by using a provision matrix, estimated based on historical credit loss experience based on the past due status of the debtors, adjusted as appropriate to reflect current conditions and estimates of future economic conditions. Accordingly, the credit risk profile of trade receivables and contract assets is presented based on their past due status in terms of the provision matrix.

	Trade receivables and contract assets					Total S\$
	Not past due S\$	≤30 days S\$	Days past due		>90 days S\$	
			31-60 days S\$	61-90 days S\$

						<u>1,434,605</u>

*Excessive risk concentration*

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

*Exposure to credit risk*

The Group determines concentrations of credit risk by monitoring the individual counterparty of its trade receivables on an ongoing basis. At the end of the reporting period, 87% (2024: 95%) of the Group's trade receivables were due from 1 major customer. The Group has credit policies and procedures in place to minimise and mitigate its credit risk exposure.

**NEW HOPE COMMUNITY SERVICES**

**AND ITS SUBSIDIARY**

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

---

**36. Financial risk management (continued)**

(a) Credit risk (continued)

Other receivables

The Group assessed the latest performance and financial position of the counterparties, adjusted for the future outlook of the industry in which the counterparties operate in, and concluded that there has been no significant increase in the credit risk since the initial recognition of the financial assets. Accordingly, the Society measured the impairment loss allowance using 12-month ECL and determined that the ECL is insignificant.

(b) Liquidity risk

Liquidity risk refers to the risk that the Group will encounter difficulties in meeting its short-term obligations due to shortage of funds. The Group's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. It is managed by matching the payment and receipt cycles. The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities. The Society finances its working capital requirements through funds generated from operations and grants received from authority. The Board of Directors is satisfied that funds are available to finance the operations of the Group.

Analysis of financial instruments by remaining contractual maturities

The table below summarises the maturity profile of the Group's and the Society's financial assets and liabilities at the end of the reporting period based on the contractual undiscounted repayment obligations:

	Carrying amount S\$	Contractual cash flows S\$	1 year or less S\$	1 to 5 years S\$

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

**37. Allocation of support costs**

In accordance with the Charities Accounting Standard, support costs such as management, office costs, finance, information technology and governance costs are apportioned to the relevant programmes they support so as to reflect the true costs of the programmes. The allocation is based on per capita basis i.e. staff headcount:

	<b>Group and Society</b>	
	<b>2025</b>	<b>2024</b>
	<b>S\$</b>	<b>S\$</b>
HOPE Scheme Programme Fund	<b>25,851</b>	89,464
Social Investigation Fund	-	17,893
JSSOR Fund	<b>448,461</b>	393,642
SRSF Fund	<b>344,867</b>	268,392
Transitional Shelter for Families-In-Crisis Fund	<b>299,485</b>	214,714
Life Skills Training and Retreat Centre Fund	<b>131,743</b>	161,037
Employment Services Fund	<b>79,658</b>	71,571
Transit Point Margaret Drive Fund	<b>204,890</b>	196,821
Transitional Shelter for Individuals Fund	<b>250,081</b>	286,284
Volunteer Centre Kreta Ayer Fund	<b>62,616</b>	53,678
Volunteer Centre Bukit Merah Fund	<b>67,212</b>	35,786
	<b><u>1,914,864</u></b>	<b><u>1,789,282</u></b>

**38. Reserve position, policy and management**

The Group and the Society's reserve position (excluding non-current assets) is as follows:

	<b>2025</b>	<b>2024</b>	<b>Increase/ (decrease)</b>
	<b>S\$'000</b>	<b>S\$'000</b>	<b>%</b>
<b>Group</b>			
A Unrestricted Funds	<b>6,590</b>	5,401	22.01%
B Restricted Funds	<b>2,326</b>	3,661	(36.47%)
C Endowment Funds	<b>N/A</b>	N/A	N/A
D Total Funds	<b>8,916</b>	9,061	(1.60%)
E Total Annual Operating Expenditure	<b>10,905</b>	10,780	0.32%
F Ratio of Funds to Annual Operating Expenditure (A/E)	<b>0.60</b>	0.50	20.0%

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the financial year ended 31 December 2025*

**38. Reserve position, policy and management (continued)**

	<b>2025</b>	2024	Increase/ (decrease)
	<b>S\$'000</b>	S\$'000	%
<b>Society</b>			
A Unrestricted Funds	<b>6,581</b>	5,390	22.10%
B Restricted Funds	<b>2,326</b>	3,661	(36.47%)
C Endowment Funds	N/A	N/A	N/A
D Total Funds	<b>8,907</b>	9,050	(1.58%)
E Total Annual Operating Expenditure	<b>9,919</b>	9,762	1.61%
F Ratio of Funds to Annual Operating Expenditure (A/E)	<b>0.66</b>	0.55	20%

Reference:

- C. Endowment Fund consists of assets, funds or properties, which are held in perpetuity, which produce annual income flow for a foundation to spend as grants.
- D. Total Funds include Unrestricted, Designated, Endowment and Restricted Funds.
- E. Total Annual Operating Expenditure includes expenses related to Cost of Charitable Activities and Governance, Operating and Administration expenses.

The Group and the Society's reserve policy is as follows:

The Reserves for the Group and the Society shall be two (2) years of the amount of the annual operating expenditure.

**39. Fund management policy**

The primary objective of the Group and the Society is to ensure it maintains sufficient cash in order to support its activities. Its approach to fund management is to balance the allocation of cash and the incurrence of debt. Available cash is deployed primarily to cover operational requirements.

**40. Loan**

During the current and previous financial year, there was no loan made to any employees, management, Board members, any related parties or third party.

**41. Sponsorship to other charities**

The Group and the Society did not provide any sponsorship to any charities during the current and previous financial year.

---

**42. Event after the end of the reporting year**

Subsequent to the end of the reporting year, the society is in transition of the organisation's legal structure from a society registered under the Societies Act to a Company Limited by Guarantee ("CLG") incorporated under the Companies Act 1967. The new CLG, New Hope Community Services Limited (UEN: 202525069Z), was incorporated on 9 June 2025, with the same charitable objectives and governance framework. As part of the transition, the society commenced the transfer of its assets, liabilities, operations, and contractual obligations to the CLG. This transition is not expected to have any material impact on the financial position of the organisation. As of the date of this report, the transition is on-going and is expected to be completed within the financial year ended 31 December 2026.

**43. Authorisation of financial statements for issue**

These financial statements were authorised for issue in accordance with a resolution of the Board of Directors on 30 April 2026.
